Certification Limitations and Applicability

1. This certification is only applicable to the System and version identified above. It does not apply to other computer systems owned or operated by the same entity or to individuals performing recording functions.
2. Certification may be altered or withdrawn by the GSCCCA at any time. Additional requirements may be necessary to maintain certification.
3. Certification does not constitute an endorsement of the System by the GSCCCA.
4. Certification neither warrants that the System is free of defects nor performs all functions needed by a Clerk of Superior Court. Certification demonstrates that a system completed tests to meet specific, minimum qualifications for compatibility with the GSCCCA eFile portal and other applicable GSCCCA standards and requirements.
5. The System sponsor and any Clerk of Superior Court using the System are responsible for appropriate configuration and use of the System. Certification does not relieve any responsibility of the entity or Clerk of Superior Court for assuring that eFile records and images are complete, accurate, and conform to all applicable standards and codified requirements.
